Long weekends in 2027

None this year with the weekly offs counted above.

> Counts every Sunday as off. Saturday holidays in the list are counted as off too. Uses only the holidays above.

Good to know

- **On a Sunday.** The list also names Independence Day (15 August); Milad-un-Nabi (15 August); Onam (12 September); Guru Nanak's Birthday (14 November). These fall on a Sunday, so they are not counted here.
- The dates come from unofficial calendar sites, and several of those only publish automatic estimates. Fewer sites cover this territory than other states.
- Muharram, Dussehra and Onam each rest on one list and the central order.
- Holi is on 23 March, as in the Central Government's 2027 order. Some calendars show 22 March, so the date can differ by a day.
- **Optional holidays.** Employees may take two restricted holidays. The 2027 restricted list has not been published.
- **Saturdays.** We could not confirm which Saturdays are off for state offices, so only Sundays are counted as weekly offs.

- **Source difference.** Muharram: 16 June (qppstudio, central order) vs 15 June (PublicHolidays.in) and 6 June (CalendarLabs, looks wrong). Chose 16 June.
- **Source difference.** Dussehra: 9 October (Hyring, central order) vs 10 October (CalendarLabs, PublicHolidays.in). Chose 9 October. If 10 October is right, it falls on a Sunday.
- **Source difference.** Onam: 12 September (qppstudio, central order). No second list shows it.
- Festivals tied to the moon, such as the Eid festivals and Muharram, can move by a day. Any change is announced at short notice.
