Dates	Length	Holiday
29 Oct to 31 Oct	3 days	Deepawali, Govardhan Puja

> Counts every Sunday as off. Saturday holidays in the list are counted as off too. Uses only the holidays above.

Good to know

- **On a Sunday.** The list also names Independence Day (15 August); Id-e-Milad / Barawafat (15 August); Bhaiya Dooj (31 October); Guru Nanak Jayanti / Kartik Purnima (14 November); Hazrat Ali's Birthday (12 December). These fall on a Sunday, so they are not counted here.

- It is built from published 2027 calendars. Most of these are automated estimates, not government orders. We use a date only when at least two published lists agree, and we compare festival dates with the Central Government order for 2027.
- This page will be replaced with the official dates as soon as the state notifies them.
- Festivals that follow the moon (Eid, Muharram, Milad) can move by a day.
- Makar Sankranti is left out. Only one list gives a date (15 January) and the Central Government order has 14 January.
- Holika Dahan, the second day of Ram Navami and Chitragupt Jayanti are left out. No published list gives a 2027 date for them.
- Dussehra is shown as Saturday 9 October. Two lists give 10 October.
- Maha Shivaratri is a Sunday holiday in 2026. In 2027 it falls on a Saturday, so it is in the main list.
- Independence Day, Id-e-Milad, Bhaiya Dooj, Guru Nanak Jayanti and Hazrat Ali's birthday fall on a Sunday.
- Only the general public holidays are listed. Restricted holidays and holidays declared by district officers are not part of this page.
- Holi is on 23 March, as in the Central Government's 2027 order. Some calendars show 22 March, so the date can differ by a day.
- **Optional holidays.** Optional or restricted holidays are not part of this list.
- **Saturdays.** We could not confirm which Saturdays are off for state offices, so only Sundays are counted as weekly offs.
- **Source difference.** Dussehra: 9 October (OfficeHolidays, Hyring, Central order) vs 10 October (PublicHolidays.in, CalendarLabs). Used 9 October.
- **Source difference.** Muharram: 15 June (PublicHolidays.in, CalendarLabs) vs 16 June (OfficeHolidays, Hyring, Central order). Used 16 June.
- **Source difference.** Id-ul-Fitr: 9 March (OfficeHolidays) vs 10 March (three lists and Central order). Used 10 March.
- Festivals tied to the moon, such as the Eid festivals and Muharram, can move by a day. Any change is announced at short notice.
